Objective

To effectively manage the extended and ongoing use of lands under the care and management of Parramatta Park Trust (the Trust) by groups using the park on a regular or ongoing basis.

Introduction

The Trust recognises the important contribution that sport and fitness makes towards community health and wellbeing. It welcomes and supports access for schools, community groups and local businesses to provide opportunities for people to participate in these organised activities.

Increasing demand in sporting use has raised a number of issues of concern for the community and space managers including:

- a) Equity of access – e.g. potential conflict with regular users, management of demand, domination and monopolisation of areas and use of public land;
- b) Impact on assets – e.g. large groups causing undue wear and tear to recreational facilities;
- c) Public safety and liability concerns – e.g. participants running onto road ways; and
- d) Impacts upon nearby residents, stakeholders and the public e.g. noise.

The need to regulate use of Parramatta Park by schools, sporting groups and clubs has been identified and this policy responds to this need.

Aims

In implementing this policy, the Trust aims to:

- Ensure equity of access to the park;
- Ensure safety of participants;
- Ensure activities do not impact on turf and facility condition and maintenance;
- Minimise safety and public liability concerns;
- Appropriately manage the park to prevent conflicts; and
- Minimise the impact on nearby residents, stakeholders and park users.

Scope

This policy covers all lands within Parramatta Park under the care and manage of the Trust for all:

- a) Sporting competitions and/or tournaments;
- b) Junior sporting games; and
- c) Training sessions
